✦ TUITION / FINANCIAL AID

Tuition for the 8-week course at Willie Mae Music Lab is \$350. Willie Mae Rock Camp for Girls operates with very limited resources and we rely heavily on donations and support from the community to sustain our programs, so we ask those who can afford to pay full price to do so.

However, we realize that not everyone can afford the fee, so we have determined a sliding scale that includes a range of tuition amounts. Please consider your family income, resources, and dependents in the household when determining your financial aid request amount. This process is honor-based and confidential. We do not require any supporting documentation for financial aid consideration, so we expect you to be honest in your assessment and statement of financial need.

Due to our limited funds, we cannot afford to grant every financial aid request. So please, pay what you can. However, if you do need financial assistance, please don't hesitate to ask for it – that's why we offer it.

Financial aid guidelines

Household income under \$40,000

Most of our full financial aid goes to students from households with a total annual income of less than \$40,000. If your household income is less than \$20,000, you may request full financial aid without any further explanation. If your income falls between \$20,000 and \$40,000, please request full financial aid if needed, or if you are able to pay tuition, let us know how much you can afford to pay.

Household income between \$40,000 and \$80,000

Most partial financial aid goes to girls from households with a total annual income between \$40,000 and \$80,000. Please request full financial aid if needed, or if you are able to pay tuition, let us know how much you can afford to pay.

Household income above \$80,000

We are generally able to consider financial aid for households with a total income of greater than \$80,000 only in extreme, extenuating circumstances, such as medical hardship, recent job loss, or a large number of dependents (i.e. financial responsibility for extended family members). We cannot grant financial aid due to the student being enrolled in multiple after school programs, or other situations involving elective activities. However, if you feel you need financial assistance, please submit a financial aid form with an explanation, and we will review it.

Estimated household income (gross annual): \$ _____

Number of dependents in household: _____

How much can afford to pay toward your student's tuition? (Please check one)

\$350 \$250 \$100 \$20

If needed, feel free to explain your situation further on the reverse side of this page.
